Internship Experience Certificate

This is to certify that **Tejas Kapse** has completed an internship as a **Full Stack Developer Intern** at **Hesten Solutions Pvt Ltd** from **01 April 2023 to 31 March 2024**.

During the internship period of one year, he demonstrated exceptional proficiency in a wide range of technical skills relevant to full-stack development. He actively participated in various stages of software development, including front-end and back-end programming, database management.

He exhibited strong problem-solving abilities and an aptitude for learning new technologies quickly. Tejas Kapse consistently delivered high-quality code and demonstrated a deep understanding of software development best practices.

Specifically, Tejas Kapse showcased the following skill qualities:

- Proficiency in front-end technologies such as HTML, CSS, and JavaScript, with the ability to create responsive and user-friendly interfaces.
- Competence in back-end development using Dot net MVC frameworks
- Experience in database management systems like MSSQL including database design, querying, and optimization.
- Experience working collaboratively in a team environment.
- Strong problem-solving skills and the ability to debug and troubleshoot issues efficiently.
- Effective communication and collaboration skills, demonstrated through active participation in team meetings and discussions.

This internship experience has equipped Tejas Kapse with valuable hands-on experience and practical knowledge in full stack development, which will undoubtedly serve as a strong foundation for his future career in the this field.

We extend our best wishes to Tejas Kapse for his continued success in his journey as a full-stack developer.

Signed,
